The Maharaja of Mysore, Financial Department.

Sir,

I have the honor to forward herewith copy of letter No. H2 413-26 dated 22nd December 1927 from the Deputy Commissioner, Mysore Dist, recommending that the Chattram Building at Nanjangud may be sold to the Sri Ramachendra Bank at the place for an upset price of Rs. 1000/- for being repaired and made available for the use of the pilgrims.

2 The Deputy Commissioner had originally recommended that the ---- building may be left under the control of the Taluk Muzrai Officer, and the temple Peshkar asked to look after the cleaning of the Building with the aid of the temple staff. Having regard to the fact that the temple of Sri Srikateswaraswami is working with a debit balance and is not in a position to pay for the repairs of the building it seems to me that the offer made by the Bank is an advantageous one and may be ---- accepted.

I beg, therefore, to recommend that subject to the conditions that the building will be repaired within a specified time and will be made available soley for the use of the pilgrims visiting Nanjangud without payment of any fee, the building may be sold to the authorities of the Bank for an upset price of Rs. 1000/-, the same being credited to ---- Chattram Savings Fund. The building should not be utilised for any ---- other purpose without the previous sanction of Government and in case of such diversion Government to have the power of resuming the building returning to the donor or his legal representatives the sum of Rs.1000/- paid by him.

4. The favor of early orders is solicited.

I have the honor to be,

Sir,

your most obedient servant,

3. The chattram is reported to be in disrepair and the Sri -- Srikanteswaraswamy temple is not in a position to repair it.
